

36" 42"

CERONA

DIRECT VENT GAS FIREPLACE

The Ceronia is the only true-arched fireplace on the market. The arched elegance pairs well with robust flames and impressive efficiency. Patented, heat-radiating FireBrick® material and cantilevered corners provide the beauty of a custom-built masonry fireplace.

6000 & 8000 SERIES

DIRECT VENT GAS FIREPLACE

The 6000 Series is the flagship of Heat & Glo. Three models are available (C, CL, CLX), offering different heating, features and aesthetics for different homebuyers. The 8000 Series provides all of the benefits of the 6000 Series in a larger size with greater heat output.
